Did you know? 'Mondi' means untouched wilderness in Papiamentu - a nod to the raw, natural beauty of the Caribbean, where aloe vera, agave, and divi-divi trees thrive under the sun.

But Mondì is more than a restaurant... it's a celebration of Caribbean culture, flavors, and music.

With two thriving locations in the Netherlands Mondì New West and Mondì SkyBar, Mondì comes full circle in 2024 with the opening of Mondì City Beach in Otrobanda: a stunning seaside restaurant and ocean club featuring an infinity pool, barefoot-chic dining, and the vibrant cuisine of the Caribbean.
